

**PRODUCT DESCRIPTION**  
**EDGE LITE EXIT CONVERSION**

- SAVES 90% OF THE ENERGY
- 10 YEAR WARRANTY
- EASY MOUNT PROFILE
- HARD WIRE
- SINGLE VOLTAGE 120 OR 277

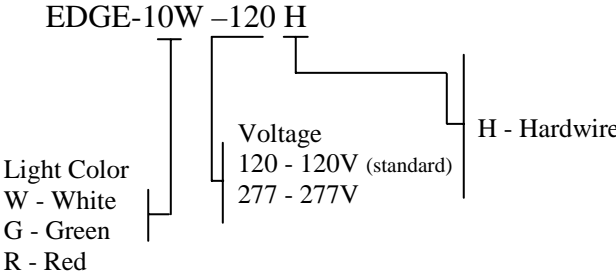

MADE IN THE USA

FIREFLY LED EXIT EDGELITE CONVERSION KIT	
<b>LOWEST POWER USE</b>	At only 1.5 to 2Watts per sign. It uses far less energy than your standard exit sign. That gives you a payback in only months.
<b>HIGH FACE LUMINANCE</b>	Using the latest LED technology, with custom viewing angles. This creates a very bright edgelite exit sign face.
<b>UP TO 10 YEAR WARRANTY</b>	10 year warranty for red and 6.6 years for white and green ensures the converted sign will operate maintenance free for a long time.
<b>EASY INSTALLATION</b>	Install in 7 minutes - simply remove the old lamps, connect two wires to power supply. Add glue to hold unit in place. Close sign.
<b>VOLTAGE</b>	Select either 120V or 277V with a simple two wire connection.
<b>INSTALLATION</b>	Hard wired with two wire nut connectors.
<b>PROPRIETARY DESIGN</b>	Unique, patent pending design insures long trouble free life that exceeds UL-924 performance requirements.

EDGE LITE EXIT SIGN KIT PART #
