# “HI FACE LUMINANCE EXIT SIGN” SUPER ENERGY EFFICIENT SOLID-STATE HIGH OUTPUT LED EXIT SIGN

## REVOLUTION IN LIGHTING

- Extremely low energy consumption, only 1.5 watts per sign
- Extremely bright face luminance – many times the brightness of any standard LED exit sign
- Most visible through smoke when sign is most needed
- Ceiling mount, Rear mount or side wall mount
- Sign will out last any of our competitors, with our new generation 4+ lamps
- Dual or single voltage (120 VAC / 277 VAC)
- 100% Maintenance free, life up to 100,000+ hours (no fragile filaments)
- Light weight, high impact deep grained anodized aluminum face
- Optional double face signs
- Optional green LED's and lens (see catalog sheet for specifications)
- Patent pending design and technology, **UL- 924 tested**
- Lowest cost by far of high end architectural signs
- Consumes only \$1.32 in energy costs per year versus \$35.04 for standard incandescent sign\*

## INSTALLATION

- Turn power off and remove existing sign
- Connect two wires to the proper power supply (120V or 277V)
- Mount new sign per instruction
- Install correct directional chevrons
- Turn power back on

## PRODUCT WARRANTY
