

**PRODUCT DESCRIPTION**  
**UNIVERSAL LED EXIT SIGN**

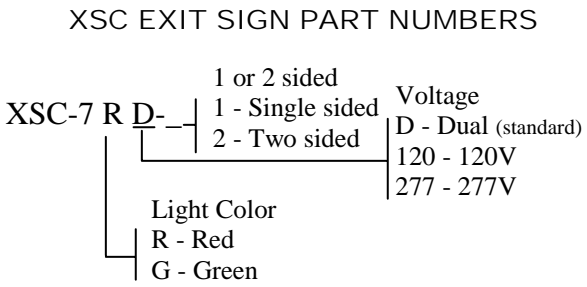

- SAVES 95% OF THE ENERGY
- 10 YEAR WARRANTY
- VERY HIGH VISIBILITY
- UNIVERSAL MOUNTING
- SINGLE OR DUAL VOLTAGE

MADE IN THE USA

**FIREFLY LED EXIT SIGN**

<b>LOWEST POWER USE AND COST</b>	At only 1.5 Watts average per sign it uses less energy than any standard LED exit sign and is much brighter. This sign tends to be half the cost of the big guys.
<b>HIGHEST FACE LUMINANCE</b>	With twice the brightness of any standard LED exit sign. Firefly signs can be seen more easily in dusty environments and when its most needed.
<b>UP TO 10 YEAR WARRANTY</b>	10 year warranty for red and 6.6 years for green means no cost to maintain and the sign will be working if there is an emergency.
<b>UNIVERSAL MOUNTING</b>	Install in 5 -10 minutes, includes optional cast fit canopy to mount end to wall or top to the ceiling and universal knockouts for mounting back to the wall.
<b>DUAL VOLTAGE</b>	Select either 120V or 277V with a simple two wire connection.
<b>SINGLE OR DUAL FACES</b>	Chose between single or double face signs. Each has universal knockout directional chevrons. (Single face has universal rear mount knockouts)
<b>PROPRIETARY DESIGN</b>	Unique, patent pending design insures long trouble free life that exceeds UL-924 performance requirements in a rugged cast aluminum case.

SPECIFICATIONS			
Input Voltage = AC 120V or 277V ± 10%			
Height=8½", Width=12.75", Depth=1¼"			
COLOR	AVG WATTS	VOLT AMPS	WARRANTY
Red	1.5 Watts	5 VA	10 Years
Green	1.0 Watts	3 VA	6.6 Years

- DURABLE, HIGH IMPACT DEEP GRAINED ALUM., FACE AND CASE •
- SAVE \$35.00 PER SIGN PER YEAR JUST IN ENERGY COSTS AVERAGE •
- ELIMINATE MAINTENANCE FOR UP TO 12 YEARS •
- PRICE AND PERFORMANCE LEADER! •
