LIGHT LEVEL OPTIONS

MADE IN THE USA

FIREFLY LED NIGHT LIGHT STRIP

LOWEST POWER USE	At only 1 Watt average per standard 4 lamp unit uses so little energy it can pay for itself in just 14 weeks and every week after that for many years.
PERFECT LIGHT	Direct, soft amber light is pleasing to the eye and helps reduce night blindness.
VERY LONG LIFE	Lasts 40 times longer than the longest lasting incandescent and more than 100 times longer than standard lamps—no maintenance for as much as 30 years.
EASY INSTALLATION	Install in 5 minutes - simply remove the old lamp, connect two wires or screw in medium base, slide NITE LITE onto louvers and replace cover.
INSTALLATION OPTIONS	Hard wire with two connectors or use the optional screw-in medium base. Slip over louvers or mount to surface with mounting slots.
PROPRIETARY DESIGN	Unique, patent pending design insures long trouble free life that exceeds UL-performance requirements.

OPTIONS
